Taxi/Bus-Terminal D 1st floor-Domestic-Departures

I have to clarify the rules of check-in for my flight in advance on the website of the airline which services I am using

I arrived on the first floor of the Terminal D by bus or taxi

I am coming to the terminal entrance

I am going inside

I am showing my airticket to the officer

I am on the first floor of the Terminal

I am going up to the second floor by escalator or lift

I am on the second floor in the departure area for domestic flights

I am looking at the information board

I am finding my flight number and the number of the check-in desk for it

I am coming to the check-in desk for my flight and waiting for my turn

I am near the check-in counter

I say hello or use alternative communication cards if possible

I am giving my passport or showing it in the Dija app to the airline representative

If I have luggage, I put it on a special belt, I can see its weight

The airline official is attaching a luggage tag to my suitcase

The luggage is moving along the belt

Later it will be loaded into the plane

They are also attaching a tag to my hand luggage

I am given a boarding pass

There are the gate number, boarding and departure time there

I receive stickers with a barcode and information about my baggage

It is important to keep these stickers till the end of the journey

I am going to aviation security controll am wayfinding by signs

I am entering the aviation security control area

I am ready to show my passport or its electronic copy in the Dija app and a boarding pass

I am showing my passport to an aviation security officer or its scan at the Dija app

My boarding pass is scanned by special devices

They are checking for prohibited items here

The full list of prohibited items is available <u>here</u>

I am putting my outerwear, hand luggage, electronic devices into containers

I will take them back after screening

All electronic devices must be placed in separate containers

I will take them back after screening

If I am asked to take off my footwear, I will take it off and put shoe covers on

I am putting my footwear into a container

I am putting the containers on the belt

I am walking through a metal detector

It may beep if I have metal objects

Aviation security staff can do screening with a special device or manually

This is a standard procedure

I am calm

I am taking my things back

I am in the waiting area

There is information about flights on the information boards

If I want to eat/drink, I will go to the cafe

If I am with a child, I go to the room for passengers with children

If it is closed, I will dial 65-80 in the phone on the wall

If I need to use a restroom, I will find it by signs

I am waiting calmly to board an aircraft

I am not coming to the door while it is closed

Boarding may be delayed

I am waiting calmly and do not worry

When it is my turn, the airline officer scans my boarding pass and checks my passport

I am entering the corridor

I can go down to the first floor by escalator or stairs

I am on the first floor

A bus is taking me to the plane from here or I am going there on foot

I am on the plane - I will have a happy flight
